

# BESPOKE FACADE PANELS

Canopy, large size panels, curved or roofing panels... are all available from ISOSTA International which offers made-to-measure solutions for your projects.

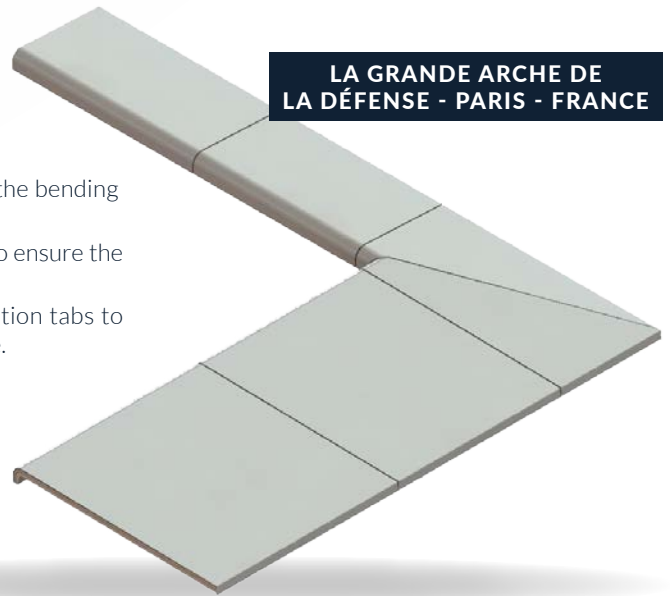

## Examples of customised solutions based on specifications

### Roof panels for the Grande Arche de la Défense in Paris

Renovation of the Grande Arche de la Défense in Paris, closed since 2010. Development of 260 customised curved roof panels with:

- Customised machining of insulation and sheet metal for the bending processes,
- Use of a new material that is highly resistant to humidity to ensure the structure is waterproof,
- Creation of grooves in the frame and composite connection tabs to ensure the panels are perfectly aligned and easy to replace.

LA GRANDE ARCHE DE  
LA DÉFENSE - PARIS - FRANCE

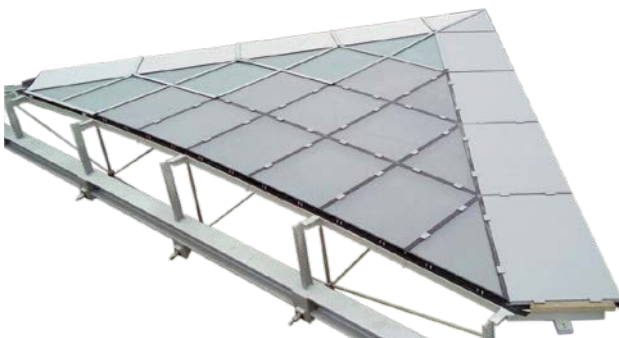

Trust ISOSTA International to deliver products and dedicated support for all your audacious projects:

- Specific study with a dedicated project group
- 3D plots,
- Calculation note,
